

MEETING POD

Avtek SonoCubo

Avtek

Inspire | Engage | Lead

More privacy, better focus and a comfortable space exactly where you need it. Avtek SonoCubo creates a convenient place for conversations, video conferences and meetings without costly office refurbishment. Effective acoustic isolation, automatic ventilation, adjustable lighting and modern equipment ensure comfortable working conditions throughout the day. Three sizes – S, M and L – make it easy to choose the right pod for individual work, 1:1 meetings or conversations in small teams.

- Private workspace
- Automatic ventilation
- Touchscreen control
- USB-C Power Delivery 65 W
