

FREESTANDING SOLUTION FOR TWIN SCREENS UP TO 86"

BT8528

XXL TWIN SCREEN VC STAND

The BT8528 is a premium freestanding mounting solution designed to mount two XL screens side by side, ideal for video conferencing applications. The stand features adjustable levelling feet to position the unit on uneven floors and maintain a level viewing experience. Integrated cable management hides cables for a tidy installation, and all interface arms include level adjustment screws for easy screen alignment.

SPECIFICATION
