Avtek Charging Cart

Avtek

Inspire | Engage | Lead

The **Avtek Charging Cart** is a mobile charging cart designed for safe storage and simultaneous charging of laptops and mobile devices. Intelligent sequential charging in sections reduces peak load on the electrical system, while the cooling system and built-in protections, including short-circuit, surge and overload protection, support safe operation. The cabinet features charging status indicators and lockable castors that make transport easier and ensure stability during use.
